Oct 2017

This term has been a busy one so far, we have welcomed all the children back and we (Verity, Helen, Lee, Leanne, and Mel) were all itching to get back in the swing of things with this terms topic of Gross Motor Skills and Motor Activity Training Programme (MATP). This topic has involved a wide range of activities involving Mobility, Dexterity, Kicking and Striking we have had lots of fun setting up activities for the children to explore.

In other lessons we have been doing yoga, using the bikes on the playground, which has been a great experience for the children and Rebound. In swimming we have been enjoying our new classes and getting to know different children in the pool, some classes have been swimming off site with a Swimming Teacher and we have also just had the opportunity to go to Saracens Rugby Club to join their Sarrie at Home programme, more on that to follow!

Happy Half Term Everyone!!
