

 **Palms**   
ASDAN  
**Asdan News**

This month in Palms we have been trying out different activities to see how much we enjoyed them. We have been eating out, eating Chinese in school and keeping fit in different ways!

**February 2010**

## Recreation

At the 360 activity centre at Knowlhill, there were so many things to do we didn't know where to start. We all had a go on the bumper cars which we really enjoyed. Siobhan then decided to drive herself!!

## Recreation

We then all explored the climbing area which was quite challenging. We were very impressed that everyone had a go at climbing, sliding and going on the carousel. We were all worn out by the end.

## Recreation

At IKEA, we decided to try the breakfast. There was something for everyone—eggs, bacon, sausages, hash brown, baked beans and tomatoes. The staff are very friendly and patient—we did take a while helping ourselves!
