

April 24th 2009

Dear Parents and Carers,

We hope that you all had an enjoyable Easter holiday. It was good to see the children back again on Monday. We have been making the most of the sunny weather and using the field for activities over the lunchtime break. We will be purchasing some new play equipment for use on the field only early next week as well as a shed in which to store it all.

Science Day 2009

As you can see from the photographs in today's letter everyone really enjoyed themselves during our Science Day on Wednesday. This was due to occur in January but due to the snow had to be postponed. The highlight of the day was a visit from Zoo Lab, who brought along a range of animals and reptiles for the children to touch, feel or just look at!

Sun hats and sun cream

Now that the weather has turned warm please could you send in a sun hat and sun tan cream for your son / daughter? Sun hats can be purchased at reception with the school logo on.

Snack Money

Please remember to send in £5 contribution to healthy snacks for this half term in a named sealed envelope. Thank you for your cooperation with this.
