

September 18th 2009

Dear parents and carers

It has been a quiet week in school and everyone has been working hard, getting used to their new class groups and timetables.

In Memory of Ellis

The two wooden seat swings which we purchased with the money kindly donated by Ellis family and friends have been installed and well used by the pupils. One is in the Butterflies garden overlooking the roundabout which Ellis enjoyed using and the other is on the field overlooking the main playground.

Please remember -

1. To return all the forms which were sent home last week - pupil information sheets, home / school agreements etc!
2. To send in £5 towards healthy snack.
3. To ensure that your son / daughter has their swimming kit in school on the days when the class swims. Should they require swim pads these are can be purchased from Lyn on reception.
4. To make sure that all items of uniform are named.
Thank you for your support with this.

New Minibus

Next Wednesday September 23rd we are being presented with our new minibus from the Lord's Taverners in association with Raymond Blanc. This will be at the Brasserie Blanc at 3:30pm and we will be accompanied by a small group of pupils, staff and parents and carers. On behalf of all the pupils and staff we say a big Thank you to Mr and Mrs Carey for recommending us for this. We are all very excited about it!

Great North Run - This Sunday

Don't forget to look out for Brad and me on Sunday in the Great North Run - we will be there somewhere in the crowd and are hoping that the sun will shine!

If you wish to sponsor us please do so - all donations are welcome - however small. The money raised will be used towards the cost of updating the primary courtyard into a much more appropriate outside classroom for the pupils.

Hazel are Class of the Week

The students in Hazel class have been straight back to work in school!

We have continued with our work in the community. We brought back to Asda supermarket a trolley we had found in Netherfield.

Michael, Khalia and Jazmine handed the trolley back to Fred from Asda. He was very happy to get his trolley back.

Ben and Khalia are new to Hazel class and enjoyed their first experience on the class market stall. We were selling chocolate doughnuts to the staff.

We had 8 doughnuts left over and these we took to our local Buckland Residential Lodge

The students have worked hard to improve the class room environment and have finished a new display for the wall. Our theme this term is the Pied Piper of Hamelin.

Enjoy the weekend everyone,

Ruth
