

September 25<sup>th</sup> 2009

Dear parents and carers

### New Minibus

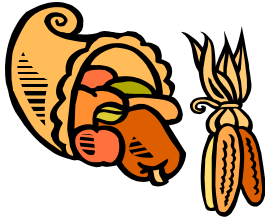

On Wednesday a group of pupils and staff went along to the Brasserie Blanc to be presented with our new minibus - the 'Van Blanc' bus by Raymond Blanc and the Lady Taverner's. As you can see from the photographs in this week's letter it was a very relaxed and happy event. All the children at school were very excited when the new bus arrived and we will certainly be putting it to good use.

### Great North Run

Brad and I had a fantastic time completing the Great North Run last Sunday - even though we weren't on TV! It was a wonderful experience, even though most of the course is uphill and it was extremely well supported by all the local people. Thank you to all of you who have supported us in this fundraising effort - any further donations are most welcome!

### Harvest Festival - Change of Date

Our harvest festival will now be held on **Thursday October 15<sup>th</sup>** at 10:30am. Please note this change of date in your diaries. We would welcome as much help as possible for our walk to and from the church with the pupils.

Have a good weekend everyone - let's hope the sun continues to shine.

Ruth
