

October 16<sup>th</sup>

Dear parents and carers,

We had an exciting time in school on Wednesday trying out some bikes for the pupils. As you can see from the photographs the pupils and staff definitely enjoyed themselves! We are aiming to purchase some for the pupils later this term.

### Harvest Festival

Thank you for all your contributions towards our celebration of harvest and to those of you who came along and joined us yesterday. Look out for the photos in next week's Friday letter.

### School Photographs - 21<sup>st</sup> October

Just a reminder that next Wednesday is the day when school photographs will be taken. Should you wish for a family photograph these will be taken at approximately 9:30am. It would be appreciated if you could inform the office staff before next Wednesday so our rota can be completed.

### Post 16 are Class of the Week

This year in Post 16 we have started a new Duke of Edinburgh Award course where some of the students have the opportunity to try a variety of different activities. The pictures show Elain and Drew on a trip to Willen Lake where they tried the different exercise equipment as they went around the lake. The other pictures show Christian, Daniel and Atisha trying out their sailing skills around Caldecotte Lake.

The students on the course have really enjoyed the activities they have done so far and will hopefully gain a variety of new skills as the year progresses.

**Please remember - Wear it Pink Day!**  
Next Friday is our Wear it Pink Day for all pupils and staff and would like a donation of £1 towards the Breast Cancer Campaign. In the afternoon we are all going for a sing in the orchard as an exhilarating way to finish the half term.

### Half Term Holiday

School closes next Friday - October 23<sup>rd</sup> for our half term holiday. We will look forward to seeing the pupils back in school on Monday November 2nd.

Have a good weekend everyone  
Ruth
