**Caterpillars Morning Group are Class of the Week**

Amber in her standing frame exploring the colour - green!

Caterpillars morning group have been enjoying a mini topic on Colours since half term. Each week, we have had a focus on a particular colour, or pair of colours. Each day, we have had a colour area set out with a variety of fabrics and materials for the children to explore, as well as a range of other activities planned to emphasise the colour of the week. We have had lots of fun with paints and play dough, shaving foam and custard powder. Our two little girls like to get stuck in and make a mess!

Here she is relaxing in the red area.

Sophie and Sue share a book all about blue.

The blue and yellow class area which the girls enjoyed exploring and making a mess!

Sophie also enjoys the yellow custard powder.

Have a lovely weekend everyone
