

Dear parents and carers,

It has been a busy week and a half back at school. The pupils are settling well into their new class groups and are definitely enjoying being back at school. This week we welcome Leshaylia into Tulips class who joined us on Wednesday.

We also welcome back Nathan who has joined the team in Post 16.

Our Fantastic New Playground

As you can see from the photographs our main playground has been transformed over the summer holiday. We have had a safety surface laid in three different colours and a variety of different interactive panels fitted. In addition we have also invested in some new equipment for all playground areas and have ordered two new bikes - Tomcat Trikes which will be more appropriate for some of the younger pupils.

Butterflies are Class of the Week

Dylan and Jennifer get to know each other

Firstly, we need to welcome some new children who have joined us in Butterflies. Dylan and Tyrah have settled in well, enjoying all of the activities so far and they now spend all day in school! We also have a new member of staff join us called Tracy who is lovely!

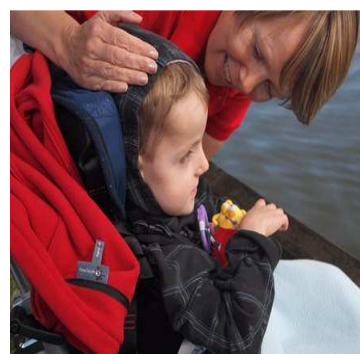

Our topic this half term is Autumn and the Weather. We have been exploring the plants and trees in the garden, finding pine cones on the grass and have also been out for a walk to visit the canal to see the ducks. We enjoyed the windy weather at the beginning of the week, playing out in the garden. We are all glad to be back in school, enjoying old and new activities. We have painted some leaves ready to go on an Autumn tree on our wall and decorated some kites ready to try to fly outside!

Post 16 at SNAP

Some of our students from Post 16 returned to SNAP this week. Although it was a new experience for all of them, they all worked very hard and were focussed on the tasks they were given.
