A Busy Half Term in PE and Sports Clubs

Tuesday Sports Club - Sailors

Tuesday Sports Club this half term have been sailing at the Caldecotte Experience. The pupils have had an amazing time and shown some great potential as sailors. We have had lots of fun and the weather has been really kind to us this half term too.

David enjoyed going fast in his boat and loved it when the speed boat created waves for him to sail through.

Edward and Daniel have been sailing on their own this half term and have really worked as a team, one steering and one in control of the sails. They even managed to steer their boat back to the jetty and line it up without any help.

Charlie-Ann has had great fun sailing, she has enjoyed the calmness of the lake and liked to be in control of her boat and do all the steering.

Najim has had a lovely time sailing too and has enjoyed being out on the water and directing his sailing partner to different parts of the lake.

Boccia Festival

Last Friday 3 teams of pupils from Key Stage 3 and 4 took part in the annual Milton Keynes Special Schools Boccia Festival at Bletchley Leisure centre. Boccia is a bowling game where teams of three work together against another team to try and get their balls closest to the jack.

Whilst the teams were not taking part in a heat they were able to practice their Boccia and Kurling skills with a range of skills based games.

The pupils worked very hard and we came joint first with Slated Row overall.

This is fantastic - so well done to all those pupils who attended and worked hard.

Exciting new venue

On Thursday this week a group of Post 16 pupils took a trip out to have a look at an exciting new venue in Hemel Hempstead. The XC at Jarman park has indoor climbing, caving and high rope system which we hope to be able to use in the future
