

Dear parents and carers,

Children in Need

Jessica enjoying making a spotty cake supported by Heather

All spotty in Tulips!

Thank you all for your support for our Children in Need activities. We made a grand total of £250 which is fantastic! As you can see from the photographs everyone had a good day and enjoyed being spotty!

Our Pudsey and Presley make friends

Abigail and Dana cover Pudsey with pennies

**Industrial Action - Wednesday November 30<sup>th</sup>**

Just a reminder about the classes which are open next Wednesday as outlined in the letter sent home yesterday. School is open for pupils in Butterflies, Buttercups and Post 16 but closed for pupils in all the other remaining classes.

### **Christmas Concert - Tuesday December 6<sup>th</sup>**

Our Christmas Concert is at the Church of Christ the Cornerstone at 2pm on Tuesday December 6<sup>th</sup>. Our theme this year is 'Christmas Around the World' and we are busy planning and rehearsing this. Please could you inform your son / daughters class teacher if you will be taking them home direct from the church or if they will require transport - as soon as possible, so that we can liaise with transport.

### **Christmas Fayre - Monday December 12<sup>th</sup>**

Thank you to all of you who have been sending in items for us to sell at our Christmas Fayre. It is very much appreciated. We would welcome any donations of bottles and tins for our tombola stall plus toys, bric a brac etc. Donations of cakes to sell would be very welcome on the day. As usual we will be making our own very special 'Santa's Grotto' in the MiLE Room which is always a favourite with our pupils and visiting children. We all look forward to seeing you there.

### **Post 16 are Class of the Week**

Post 16 have participated in many activities this term. We love to get out and about in the community and have as many adventures as possible.

Some of our students experience a working environment at SNAP where they fulfil contracts for establishments such as Frosts. This week they were making gift bags for Father Christmas to hand out.

One group made their own kites and then went to Campbell Park to fly their wonderful creations with a great sense of triumph.

We love to go on picnics and one of our favourite destinations is Salcey forest which has lovely walks, a tree top viewing area and smashing picnic area.

Another of our favourite destinations is Marston Vale Park which has beautiful walks, stunning lakes and a fascinating information centre.

Many of our students also make regular visits to our allotment and to the Urban Farm in Wolverton.

During Careers Week we had a visit from our local Fire Safety Officer which was very informative and lots of fun.

### **Post 16 Café**

Today was the last day of opening for this term. The café will continue to run on a Friday morning next term and the dates of its opening will be circulated before Christmas. We would like to thank you all for your support with this venture which has been a huge success. Well done to the Post 16 team!

Jake is really enjoying this sensory session with shaving foam!

### **School Website**

We have added another page on our school website entitled 'New Technologies.' There are lots of great photographs on there of the pupils using ipads. Information about 'The Cube' and its use will follow shortly.

**And here's how the 'movember moustaches' are coming along this week -**

Its not too late to sponsor them!

Have a good weekend everyone

Ruth
