

December 16<sup>th</sup> 2011

Dear parents and carers,

Emily having fun with the party hats at the Christmas lunch.

Sophie helps decorate the tree.

We have had a very busy but very enjoyable week of celebrating Christmas within school. Our Christmas Fayre went well; the visit from Father Christmas was very popular with the children. We raised £540 in just 90 minutes which is fantastic. Thank you for your support with this.

Our Christmas lunch was delicious - a huge thank you has to go to the two Jenny's in the kitchen for their hard work. It's always a challenge fitting everyone and our visitors into the hall and dining room but we did it and everyone ate well.

### **DHL Raised £400 for The Redway at The Red Bull Racing Event**

As you are all aware DHL are really supportive of our school and throughout the year strive to raise as much money for us as possible. At last weeks Red Bull racing event in Milton Keynes they raised just over £400 by holding a raffle for a VIP pass to the event. This is absolutely brilliant. We thank the fund raising team for all their support and on-going hard work. Here are a couple of photographs from the event:

### **Spring Term 2012**

Just a reminder that school re-opens after the Christmas Holiday on Wednesday January 4<sup>th</sup> for all pupils. We will all look forward to seeing everyone back at school.

### **Merry Christmas Everyone**

On behalf of all the pupils and staff of The Redway School I would like to wish you all Merry Christmas and all the very best for 2012.

Ruth
