

Friday 13th July 2018

Dear Parents and Carers,

Summer Concert

Well, what a busy and exciting week we have had in school! The highlight of our week was the Summer concert at Christ the Cornerstone on Tuesday. Our theme this year was 'Caribbean' which has also been our topic across school this term. The church was full of colour, smiles, song, dance and laughter. It was, as always, a wonderfully uplifting and memorable experience.

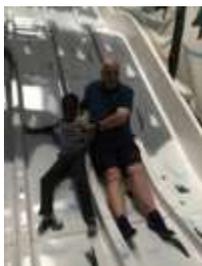

Community Success for Transitions

Last Friday, Transitions attended MK Soup - a charitable organisation that listen to 'pitches' from various organisations. People attending the event then vote on who they think are the most deserving community driven project. We are pleased to announce that The Transitions Department achieved the most votes and 'won' the donations, the prize was collected by Patrick. The group plan to purchase accessible tools with the donation. It was a wonderful community celebration.

Summer Outings

Many groups have been enjoying the warm summer weather, which has given us the opportunity to experience a new range of sensory activities as well as activities further afield.

Transition Days

This week we had the first of our two 'Transition Days' where children spent time in their new groups and meeting children who will be new to The Redway in September. We all enjoyed trying new activities and spending time getting to know everyone.

After School Activities

We have continued to have lots of fun at after school clubs this year. Since the last update we have continued to have lots of clubs for various pupils across the school. Sports club on a Wednesday has been extremely fortunate to have a football coach to lead sessions and develop their basic skills for pupils in both primary and early years. The ASC classes got to have lots of fun in the gym doing Rebound and Trampolining with Michaela. The Transitions department had the chance to go swimming and have a play in the school pool.

Thank you to everyone who has supported and attended the after school clubs this academic year, we look forward to offering many more clubs and activities next year. Also a big thank you to all the staff who have given up their time to help run the clubs, without their support after school clubs would not be a success!

Just a Reminder...

Our end of term assembly is on Friday 20th July. There will be two assemblies, the first at 10.00 for Bumblebees, Caterpillars, Buttercups, Sunflowers, Ladybirds, Dragonflies, Orchid, Tulips, and Hazel. The second at 11.00 for Transitions, Butterflies, Cassia, Daisies, Palms, Maple, Poppies and Chestnuts.

Wishing everyone a lovely weekend

Diane
