

5th October 2018

Dear Parents and Carers,

Another week has flown at The Redway. Classes have continued with their themed work this week, as well as continuing preparations for the harvest festivals next week and also doing activities for the Red, White and Blue Day today.

After School Clubs

Our After School Clubs have restarted for the year. We will continue to offer a range of clubs, to all areas of the school during different terms, on various days throughout the academic year. We will be using the large skill set of the staff at school to offer new and exciting activities for the pupils. Letters will be sent out to the pupils that are invited to each club at the start of each term. So, keep an eye out in your son or daughters home school books and return the forms as quickly as possible if you are interested in attending the club.

For this term, we have one club running on a Thursday evening after school for the Primary classes. This was a very popular club and we had double the number of responses compared to available places. We had to do a lucky dip to see which pupils would get a place so please accept my apologies if your child did not get a place this term.

We have been doing a range of activities already, including going on the trampoline, playing in soft play, using the Big Drum and doing some messy play.

Men in Sheds

We need to say another huge thank you to the Men in Sheds. They have been very busy again making lots of products for school and on Tuesday this week they brought the items to school and presented them to some of our pupils.

School Closures

We understand it is very early to be discussing school closures and the possibilities of snow, however the weather is starting to change and the mornings are becoming darker. So, we are asking all parents and carers to make sure they have signed up to the MK Council Emergency School Closure website and notification service. If you provide your mobile number and school they will send you a text message should the issue arise where we have to make the difficult decision to close the school.

Thank you to everyone who came and supported us on Friday at the café. We made a fantastic total of £240.00.

Well done to the café team for making this possible.

Hope everyone has a lovely weekend
Simon
