

Friday 19th October 2019

Dear Parents and Carers,

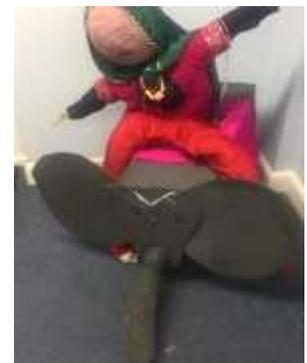

What a wonderful week we have had in school following our 'India' topic but this week also saw the beginning of the scarecrow competition....

Scarecrow Competition

Amongst this weeks activities has been our scarecrow competition, with each class making a scarecrow to represent them. As always, competition is high as is the standard of scarecrows produced. High quality and imaginative modelling features in each one, here is just a small selection, it is a tough decision to identify a winner!

Which would you choose?

Harvest Festival

Last week saw another fabulous harvest festival, the sun shone on both days as we walked through the beautiful community orchard towards the church. For many of us this is one of the highlights of the year, for all of our children and young people the harvest songs remain amongst our favourites. The church was awash with happy smiling faces and colourful parachutes as we celebrated this very special time of year.

Aston Martin visit the Gurdwara and Furzton visit the Mosque

This week Aston Martin class visited the Gurdwara and Furzton class visited the Mosque in Milton Keynes. Everyone had such a lovely time learning about different cultures and experiencing Sikhism and Islam first hand, the culture, dress and place of worship. Many thanks to all at the Gurdwara and the Mosque.

Sensory Fun From Around School This Week

We have had so much fun in school this week, here's just a sample of our amazing activities

Transitions are Class of the Week

Transitions have had a busy term enjoying new activities and making new friends. Some of our students have engaged in work experience at Basil's Barn looking after the horses and working on the allotment.

Other students have engaged in travel training, learning how to use public buses around Milton Keynes but also learning that there are other forms of transport available to us such as bikes!

We continue our love for painting and 'mask making'. This term we are working on water colour painting and elephant masks.

Sensory stories and music form a big part of things we enjoy, this term we have been listening to 'The Elephant Dance' with music and song to accompany it.

Have a wonderful weekend everyone

Diane
