

Friday 18<sup>th</sup> January 2019.

Dear Parents and Carers,

### Welcome from Team PE

We have enjoyed welcoming all the pupils back into PE over the last week. We are all well rested after the break and full of enthusiasm for the term ahead.

There are a couple of changes to the PE timetable this term affecting a few classes this is to increase the PE provision. In order to accommodate other curriculum areas there have also been a couple of classes whose swimming days have changed. Your class teacher will have made you aware of any changes in terms of kit requirements for swimming.

Our focus in PE this term will be primarily Rebound (Trampolining) which is a favourite for many of the pupils.

We are incredibly lucky to have our pool on site and we use it to its full capacity. Some of our more able children are also fortunate to be able to go offsite to a local Leisure Centre. Here, an external swimming teacher is employed to maximise their potential. This is a great opportunity for the pupils to interact with members of the public in an environment significantly different to our pool. May we remind those parents and carers of the swimming letter that came home this week. Can we also remind all parents and carers that on swimming days, the children need to have their swim kits and arm bands (if appropriate) in school. We have limited kit that we can lend out in emergencies but it is best if the children all have their own. Please include a rash vest as well as this is a requirement of the school. These can be purchased from reception for £2.50 each.

Across the wider school the new topic of Myths and Legends is well underway and the children are enjoying exploring this topic in their own classes.

## Reminders

The weather has been kind so far, but there is a threat of much colder weather. Please can you ensure that your child has adequate waterproofs, hat and gloves and a change of clothes.

Have a great weekend every one

Verity and Helen
