

Friday 6th December 2019

Dear Parents and Carers,

Welcome from the Transitions Department

Students have been busy working on their independence skills. This term the council have given some of the staff and students bus passes to help with their Travel Training. They have already made great use of these, using the public buses to travel into CMK and Bletchley.

Our students have had plenty of opportunity to demonstrate their creative flare this term through a variety of art and craft activities. We have been particularly busy recently with creating props for the Christmas concert and craft items for the Christmas Fayre.

Christmas Concert at Christ the Cornerstone

We all had a wonderful time on Thursday as a number of our classes performed at our Christmas Concert at the Church of Christ the Cornerstone. Pupils and staff had great fun dressing up and showing their performance skills. The festive music and joyful atmosphere led to the concert being a great success!
