

VE Day Celebrations

Friday 15th May 2020

News from our families and staff

Dear Parents and Carers,

I trust that you are all keeping fit, well and safe, as well as continuing to enjoy the sunshine.

Thank you to those of you who have sent in photographs to share with everyone about your activities at home, some relating to VE Day Celebrations.

We have also included some photographs from staff to share with you, including some from my garden!

Please do continue to send in your photographs to share as its good to see what our pupils have been doing whilst safely at home.

This week our pupils have been busy making a rainbow to display in the window to show our support and thanks to the wonderful NHS.

Take care everyone and have a lovely weekend - the sun is supposed to continue shining and as the saying goes 'the sun shines on the righteous.'

Ruth
