

Friday 23<sup>rd</sup> October 2020

Dear Parents and Carers,

### Harvest Festival

Our Harvest Festival this week was a lot different to previous years, but the main thing is it still happened, and all pupils were able to participate. The assembly was streamed across the whole school with a few classes in the hall. We sang some of our favourite harvest songs and held our annual scarecrow competition. This year we could not choose a winner as they were all fantastic!

### Parents Consultation Afternoon

Unfortunately, due to Covid we will not be holding our usual parents consultation afternoon on Monday 16<sup>th</sup> November. School will remain open for the afternoon with the usual arrangements for the pick up times at the end of the day. Should you wish to have a discussion with your son/daughters teacher by telephone please do let them know in their home school book.

## Christmas Fayre

We will be holding a virtual fayre this year. Our usual handmade goods will still be available and an order form will be sent home along with information about the items on sale. A raffle will still be going ahead. We will keep you updated on how to purchase tickets. Please keep an eye out for more information on this.

## Playground Developments

The outdoor play area near the new building looks fantastic. This is going to make a huge difference when completed and I'm sure the pupils are going to enjoy testing it out!

## FLU VACCINATION

We have arranged for a catch up session of vaccinations for those children who missed the one on 14<sup>th</sup> October. The new day is Monday 9<sup>th</sup> November. Your child's consent form is available using this link:

<https://immsconsent.eput.nhs.uk/FluConsent/Form1/>

Your school code is: **110592**. Please insert this code into the required field to correctly identify your child's school.

**Please complete the consent form** (one for each child) by **Friday 30<sup>th</sup> October 2020** to ensure your child receives their vaccination. Please contact your immunisation team on **01234 310408 / 310401** if you would like any help with the form.

The vaccination is free and is a quick and simple spray up the nose. It is recommended that flu vaccination is given each year.

A leaflet explaining the vaccination programme is available via this link:
